

ceived, and that he would contact Personnel Director Daniel J. Bodwin regarding the requested extension in the very near future.

Gary Thomas stated that Ferrol Street was in very bad condition and constituted a definite hazard. The local is forming a street committee to forward recommendations regarding name and location changes, as some of the proposed changes are on split streets, that firemen have memorized. A change of some of these street names would cause confusion. He also asked if employees hired under the government sponsored PEP program would be used to fill vacancies in the department. Chief Burnett stated the purpose of the program is to train members for steady employment.

Gary Thomas expressed the thanks of the members of Local 421 to the Fire Board for the resolution regarding the retainment of the Fire Training Council.

Commissioner Sheathelm reminded the Board members that information regarding the operation of the fire department is contained in the monthly reports.

The Board adjourned at 8:25 p.m.

WILLIAM R. GREW,
Secretary.

Chairman Kauffman stated the special meeting was being held regarding promotions in the fire department in accordance with Sec. 20, P. 13 of the Rules and Regulations of the Lansing Fire Department and the decision of the Board at its last regular meeting.

Commissioner Roe, Chairman of the Personnel Committee, read the following communication submitted to his Committee:

April 24, 1972

Mr. Edward J. Roe, Chairman
Personnel Committee
Lansing Fire Board

Gentlemen:

We were requested by the Fire Board to proceed with promotions to fill the present vacancies in the fire department created by various reasons.

The same criteria was used to evaluate each member eligible for promotion as established in the past. Seniority in rank and proven ability were the main objectives, although other factors were given weight. Due consideration was given to the man's health, his age, his special education and his past performances.

The combination of experience and ability represented in our recommendations will provide a solid basis for future operation of the fire department and fulfillment of our obligations to the citizens of Lansing.

Respectfully submitted,

DONALD H. BURNETT,
Chief

JOSEPH I. BURTRAW,
Ass't Chief

CARL W. BARRATT,

City Council approved Monday night parking meters in center of Michigan between Grand & Capitol and changes in parking meters as proposed mainly in Exhibit C Area 2A and Exhibit G Area 2B involving change from ONE HOUR and TEN HOUR meters to TWO HOUR meters.

New Business

Secretary Hayes explained that a Bicentennial park for 1976 is being planned for the area bounded by Kalamazoo, the Grand River, Saginaw and Cedar.

Mr. Tenny asked about the signing on Walnut for turns onto Saginaw. Mr. Pohl explained that there are 3 signs in the block indicating RIGHT TURN LANE and RIGHT LANE MUST TURN RIGHT. Mr. Tenny inquired if left turns from the second lane on Pine at Allegan were permitted. Mr. Pohl stated that although these turns are being made there is nothing to indicate that they can be made. He said signs will be erected to permit this.

Secretary explained that the City of Lansing is assuming jurisdiction from Ingham County over Waverly Road between Moores River Dr. and Jolly Rd.

Mr. Wrobel asked that South Cedar St. be checked for holes. Mr. Hayes stated that it is understood that South Cedar will be resurfaced.

Mr. Wrobel asked if a traffic survey had been made on Jolly and Waverly Roads. Mr. Hayes stated no. Mr. Pohl stated there had been no request for this to be done.

Mr. Wrobel asked if the traffic signal operation would be changed at Logan & William to correspond to the new summer hours. Mr. Pohl stated that we were notified on Tuesday that the new hours had gone into effect Monday and that the change had been made but a malfunction caused the problem Tuesday afternoon.

Mr. Brasseur asked that LANE ENDS or merge left sign be placed on Capitol north of Kalamazoo to indicate that vehicles in the right lane should move to the left to avoid running into parked cars south of Kalamazoo.

Mrs. Guilford stated there were high weeds at the southwest corner of Aurelius & Miller Roads. Mr. Pohl will contact the Building Division.

Mrs. Guilford asked what had taken place at the corner of Cedar & Miller Rds. Mr. Pohl stated the intersection will be reconstructed.

Mr. Fraser expressed his pleasure of having been a member of the Traffic Board for approximately 10 years—he has retired and is moving north.

There being no further business it was moved by Mr. Fraser that the meeting be adjourned.

The meeting adjourned at 10:30 P.M.

Respectfully submitted,
